## UNDERSTANDING YOUR POLICY

### INTRODUCTION

Now that you have insured your vehicle it is important to understand just what you are covered for.

Please make sure you read your policy in full as it explains what is covered, what is not covered and what your responsibilities are.

We have defined certain words and phrases to help explain their specific meaning and to make it easy for you to understand your policy. These are found under the Definitions section of your policy.

Also set out in your policy are the Exclusions. Please make sure you understand these so you know the cover you have and there are no surprises in the event of a claim.

We understand that some things in here may be new to you so please contact us if there is anything you do not understand or are not 100% sure of.

### YOUR INSURANCE CONTRACT

Your policy is an insurance contract between you and us and consists of:

- this policy document
- your policy schedule or most recent renewal schedule
- the information provided by you in your proposal/application
- any changes that you have requested and we have agreed to
- any changes we have written to you about

### YOUR RESPONSIBILITIES

To ensure you are aware of your responsibilities as a policy owner and understand the conditions of your policy, please make sure you have carefully read all your insurance documents.

If anything is not correct or there is information that is missing it is your responsibility to let us know.

If you do not comply with the conditions of your policy we can decide not to accept or pay a claim and may cancel or avoid your policy.

## YOUR COVER

Your vehicle is insured for Market Value. This is the total amount we will pay for any one claim.

We will insure your vehicle for accidental loss or damage anywhere in New Zealand during the period of cover shown on your policy schedule.

All limits, amounts and excesses shown in your policy include GST.

There is no cover until your premium has been paid in full or has been set up to be paid by instalments through an authorised direct debit. Please see 'Paying your premium' for full information.

Your current Policy Schedule will show if your vehicle is insured for Private Use or Business Use. If this is not correct please contact us immediately to discuss.

### PRIVATE USE

If you have chosen Private Use as your cover, your vehicle is covered if it is used for social, domestic and farming purposes only.

### BUSINESS USE

If you have chosen Business Use as your cover and it is shown on your current Policy Schedule your vehicle is covered if it is used in connection with your business, profession or occupation.

It is important for you to note that this policy only covers the vehicle insured with us. There is no cover for any tools, goods, personal or business equipment or any contents of the vehicle.

There is no cover if your vehicle is being used:

- as a courier/delivery vehicle
- a taxi or to carry any fare-paying passengers
- as a courtesy vehicle
- for driving training
- for security
- in connection with the motor trade
- for hire

### ACCESSORIES AND MODIFICATIONS

All accessories are insured for their Market Value.

Any accessory or modification that is not standard to your vehicle's manufacture must be noted on your policy schedule to be covered. They will then be covered up to the amount shown.

If they are not shown on your policy schedule it means we do not know about them and therefore they are not covered under this policy. In this instance we may decide to:

- decline your claim
- cancel your policy
- replace with the manufacturers standard item
- cover the accessory or modification and adjust the premium and excess as we would have had we known about them

## THIRD PARTY ONLY INSURANCE

When 'Third Party Cover' is noted on your policy schedule, cover on your vehicle is limited to loss or damage as a result of an accident caused by an uninsured party.

Cover will only apply if we are satisfied that:

- the driver of your vehicle was completely free of blame; and
- you have provided us the full details of the vehicle and person who caused the damage; and
- the other party did not have valid insurance

The maximum amount payable for any claim will be the Market Value of your vehicle up to a limit of \$3,000.

### LEGAL LIABILITY COVER

This policy covers your legal liability for the accidental damage to property caused by your vehicle.

We will pay up to \$1 million for any one event. Cover includes your legal costs and expenses incurred with our consent.

This benefit provides the same cover to:

- any driver of your vehicle who is using your vehicle with your consent and is not otherwise insured or excluded from your policy
- an uninsured motor vehicle being driven by you provided it does not belong to you and you are not hiring or leasing it. No cover is provided for damage to the car being driven.
- any trailer or caravan while attached to your vehicle

### LIABILITY EXCLUSIONS

This cover does not apply to:

- damage to property, including motor vehicles that you or anyone else covered under this policy own or have in your custody or control, however we will cover a disabled vehicle being towed by your vehicle.
- any loss otherwise insured
- any event not covered by this policy

An excess will not apply to any loss claimed for under this benefit where your vehicle is comprehensively insured and you are not claiming for damage to your vehicle arising from the same incident.

## PROVIDING CORRECT INFORMATION

Your policy is based on the information provided by you or on your behalf. This includes the information provided on your proposal as well as any information provided during the policy term or in support of a claim.

We use this information to set the terms and conditions of your policy when agreeing to provide this cover and to establish if you have a claim that is covered under your policy.

All information we receive must be complete and correct in all respects. You must also tell us everything that may be relevant to our decision to issue, renew or alter the policy.

## KEEPING US INFORMED

It is important that you immediately advise us of anything that may change your policy. If you do not advise us of any changes or disclose up to date information you may find that we are unable to help in the event of a claim.

We need to know if you:

- change address
- sell your vehicle
- require under age drivers to be covered
- change the main driver of your vehicle
- add any accessory to the vehicle
- modify your vehicle
- have any insurance declined, cancelled or not renewed
- have any claim declined
- are charged for any traffic or criminal offence

Any of these changes may result in:

- an increase in premium and or excess
- a change in the terms or conditions of your policy
- cancellation of your policy

In the event of any of these changes, you must advise us immediately. If we decide to continue your insurance we will advise the change, if any, to your policy.

## IF YOU DO NOT COMPLY WITH YOUR POLICY CONDITIONS

Failure to comply with any policy condition may result in:

- a claim being declined
- your policy being cancelled or avoided
- your entitlements being reduced
- an additional premium being charged
- your excess being changed
- drivers being excluded

We may also recover from you any costs we have already paid out.

If we have made the decision to avoid your policy for non-disclosure you are required to refund any costs we have paid under your policy. Any premium you have paid us will be used towards these costs. If there have been no costs paid, any premium paid to us will be refunded to you.

## PAYING YOUR PREMIUM

Your premium relates to the cover, term and vehicle shown on your policy schedule.

There is no cover until your premium has been paid in full or has been set up to be paid by instalments through an authorised direct debit.

## PAYING YOUR PREMIUM BY INSTALMENTS

### YOUR RESPONSIBILITIES

You have the flexibility to pay your premiums by instalments. When this option has been selected:

- a direct debit will need to be set up against your nominated bank account or credit card
- it is your responsibility to ensure your payments are kept up to date. If they are not, you will not be covered in the event of a claim

### WHAT HAPPENS IF I MISS A PAYMENT?

If any instalment is overdue, cover under this policy will stop from the date the first unpaid instalment was due. Cover will only start again once you have brought your payments up to date. No claim will be accepted for any loss during the period your policy was unpaid

### YOUR POLICY WILL AUTOMATICALLY BE CANCELLED IF:

- your direct debit is cancelled or stopped by you or your bank
- three fortnightly payments are unpaid
- two monthly instalments are unpaid
- any quarterly or half yearly payments remain unpaid for 14 days

### IN THE EVENT OF A CLAIM

You may be required to make an immediate payment of the balance of any annual premium if you are making a claim under this policy.

If your payments fall behind while you have a claim with us, any claim proceeds payable to you under this policy will be withheld by us until you have brought all instalments up to date.

## POLICY CONDITIONS

### BREACH OF POLICY TERMS AND CONDITIONS

No claim will be payable where any person covered under this policy breaches any of the policy terms or conditions. Nothing in this policy affects our right to avoid the policy for non-disclosure.

If any claim under this policy is supported by any incorrect information or statement all benefits under this policy will be forfeited and cover will be cancelled.

### CARE OF MOTOR VEHICLE

You must take all reasonable steps to prevent loss or damage and maintain your vehicle in good repair. We will always have the right to examine your vehicle.

### JOINT POLICY

Where this policy is issued in two names, it is a joint policy. This means that both of you can change, alter or cancel the policy. It also means that if one of you does or fails to do anything that results in there being no cover, there will be no cover for either of you not just the person responsible.

### OTHER INSURANCE

This policy does not cover loss or liability where cover is already provided by other insurance. We will not contribute towards any claim under any other policy.

### INTERESTED PARTY

If your vehicle is secured by any financial agreement, we may make payment for any loss direct to the interested party. This will meet our obligations under this policy.

By noting an interested party on your policy schedule you are authorising us to request and disclose your personal information to them. However, the interested party is not insured by this policy and is not able to make a claim under the policy.

## WHO IS COVERED TO DRIVE MY VEHICLE?

It is important that you have the correct driver option so the drivers of your vehicle are covered.

Your policy schedule will show the cover you have selected and if there is no cover for certain drivers. It will also show all additional excesses that may apply to your policy.

If you need to change your cover or are not sure if you have the correct cover then please contact us immediately. The following will help you understand the cover that applies to you.

Whether the driver is you or a named person on your policy, all drivers must hold a current drivers licence and be legally driving at the time of an accident to be covered under your policy.

### UNDER 25 YEAR OLD DRIVERS

When noted on your schedule no cover will apply if the vehicle is being used or driven by anyone under 25 years old.

If your policy schedule states that there is no cover for drivers under the age of 25 unless they are named on your policy, please make sure you can see the names of the drivers that you require cover for. If they are not named then they are not covered.

### VOLUNTARY NAMED DRIVERS

If your policy shows Voluntary Named Driver then the additional Unnamed Driver excess will apply to anyone not named on your schedule. If they are under 25 and not otherwise excluded then an age excess will also apply.

### OPEN DRIVER

This provides cover for drivers under the age of 25.

### EXCLUDED DRIVER

No cover will apply while the vehicle is being driven by anyone listed as an excluded driver on your schedule.

### COMPULSORY NAMED DRIVER

When this is noted on your schedule only the named drivers are covered to drive your vehicle. No cover will apply while the vehicle is being driven by any other person.

## BENEFITS

These benefits are automatically included in your policy when your vehicle is insured comprehensively.

If you have a Third Party Only policy these benefits do not form part of your cover unless specifically stated.

### VEHICLE CHANGE

If you replace a vehicle, or buy an additional vehicle it is automatically covered for 30 days under this policy. This cover only applies if the vehicle purchased is valued at no more than either the existing vehicle on your policy or \$30,000 and you:

- tell us within 30 days of buying the vehicle
- provide full details of the vehicle
- pay any extra premium which we may require

### VEHICLE SERVICING AND EMERGENCY

If there are any driver restrictions on this policy we will not apply them when your vehicle is being driven:

- by a member of the motor trade who is professionally engaged in the overhaul, upkeep or repair of the vehicle
- to a medical facility in the event of a medical emergency

### GLASS COVER

Under this benefit you are covered when claiming for the repair or replacement of any windscreen, window or sunroof, when there are no other damages to your vehicle.

You are not required to pay any excess when claiming under this benefit and your No Claims Bonus will not be effected.

To make a claim please call us on 0800 227787.

### CHILD RESTRAINTS

You are covered for the damage or theft of any car seat, booster seat or baby capsule fitted to your vehicle when there is a valid claim under your policy.

These are covered up to \$1,000 and are insured for their Market Value.

## TRAILER COVER

We will cover the damage to any uninsured trailer that is owned, hired or leased by you while it is attached to your vehicle. There is no cover for the contents of the trailer. We will pay up to \$1,000 for any one event.

An excess of \$100 applies to each claim.

### This cover does not apply to the following:

- caravan or camper trailer
- boat trailer
- horse trailer
- trailers that cannot be drawn by your vehicle

## TOWING AND STORAGE

If we have accepted a claim under this policy and you are unable to drive your vehicle we will arrange and pay for:

- your vehicle to be moved to the nearest repairer or place of safety
- storage of your vehicle

## ACCOMMODATION AND RETURN HOME COSTS

Having an accident that leaves your vehicle un-driveable or having a vehicle stolen is never a pleasant experience. This is even worse if it happens while you are on holiday or out of town. To help ease the stress we will pay:

- for emergency accommodation for you and your passengers
- to transport you and your passengers home
- to return your vehicle home following its repair or recovery

The total amount that we will pay under this benefit is \$500 and only applies to a valid claim under this policy.

## ACCESSORIES COVER

The following accessories are automatically covered up to a total amount of \$1,000.

- entertainment, communication and navigation systems fitted to your vehicle
- tools and breakdown equipment permanently kept in your vehicle to be used on your vehicle
- first aid kit, torch, fire extinguisher, maps
- car seat covers

If you require more than \$1,000 cover please contact us to advise.

## MAKING A CLAIM

To make a claim please call us on 0800 227787

When making a claim under your policy, it is important that you are aware of your responsibilities. These are shown below and apply to all claims. Your co-operation helps us manage and settle your claim efficiently. Without your full assistance we may be unable to help with a potential claim.

For all claims you will have an excess that will need to be paid. We will be able to advise you of the applicable excess when you first provide us with the claim details. You will also be able to see any excesses that apply by checking your policy schedule.

If your vehicle is repaired you will need to pay your excess directly to your repairer. If we are settling your claim as a Total Loss your excess will be deducted from your payment.

## YOUR RESPONSIBILITIES

- notify us as soon as possible of any event that may result in a claim
- contact the Police immediately if your vehicle has been stolen, broken into or vandalised
- provide us with full details of what has happened
- obtain full information of everyone involved, including the details of any other vehicles involved
- complete and return your claim form without delay
- take all possible steps to minimise the extent of loss or damage
- contact us immediately if you receive any communication or are contacted by anyone regarding a potential claim
- obtain our consent before proceeding with repairs or incurring any other expense, unless required to minimise further damage
- make your vehicle available for inspection by us before any repairs are started
- do not negotiate, pay, settle, admit fault or make any agreement in relation to any claim
- allow us to take action in your name
- assist us in the recovery of any costs incurred from the responsible person

## WHAT WE WILL DO FOR YOU

- help you lodge your claim
- explain our claim process and how your claim will be settled
- help you understand what we will require to settle your claim
- arrange the towing of your vehicle if required
- provide you with details of our Vero approved repairers
- manage the assessing and repairs for you
- negotiate and settle liability on your behalf
- keep you updated with the progress of your claim

## WHAT WE WILL PAY

We will pay the cost to repair or replace your vehicle or make a cash payment up to the current Market Value of your vehicle.

## WHAT YOU NEED TO PAY

You will need to pay the excess applicable to your claim. Please read the Excess section for full details.

## REPAIRING YOUR VEHICLE

On all claims our assessors will work with your repairer to determine the damage and cost of repairs.

If the repair improves the pre-accident condition or value of your vehicle then you may be required to make a contribution towards the cost of repairs. We will discuss this with you before starting any repairs.

If we believe it is unsafe to repair your vehicle or the total cost of repairs is greater than the Market Value of your vehicle, we will settle your claim as a Total Loss. Please see the Total Loss section for full details.

## OUR GUARANTEE

To take the stress and worry of repairs away, we have a number of Vero approved repairers that have been carefully selected for you to use. By choosing to use one of our approved repairers we can ensure your vehicle is repaired to a high standard and is put back to the condition it was prior to the damage. We also guarantee their repair work for as long as you own the vehicle.

If you decide not to use one of our repairers we can not be responsible for the quality of any repairs completed on your vehicle or guarantee their work.

## PARTS

During the assessment we will make the decision to either repair or replace the damaged parts.

When replacing any part we will try to use the original manufacturers branded parts. These may be new, recycled or reconditioned.

However, if a part or accessory, including any wheel, is not available in New Zealand we will choose one of the following options to settle your claim:

- use the closest New Zealand equivalent
- pay you the last known list price including the cost of fitting
- have a new part made

We will not pay for any part or accessory that has not been damaged, or was already damaged prior to your claim. We will not pay for the cost of freighting parts or accessories from overseas.

## PAINT

We will repaint the damaged areas on your vehicle and blend to match the existing paint as close as possible. However we will not pay any additional costs to match new paint to existing paint.

If your vehicle has any sign writing on it, we will cover this if we have been advised previously and this is noted on your policy.

## TOTAL LOSS CLAIMS

We will let you know if your claim will be settled as a Total Loss. This will be due to one of the following reasons:

- we believe the vehicle can not be safely repaired
- the cost of repairs makes the vehicle uneconomical to repair
- the vehicle has been stolen and has not been found after 14 days

## WHAT WE PAY

We will pay the Market Value of your vehicle. From this amount we will deduct the following:

- the total remaining annual premium
- the excess that applies to your claim
- unpaid road user charges

If there is any financial interest on your vehicle, your settlement will be paid towards what is owing to them first. Any remaining amount will then be paid to you.

Once we have paid the Market Value your policy comes to an end. We do not refund any premium and we may keep whatever is left or recovered of the vehicle.

## WHAT IS AN EXCESS?

For each claim you must contribute the amount(s) shown on your schedule under the heading Excess. There may be more than one excess that applies to your claim and all applicable excesses will be applied. These may include:

### STANDARD EXCESS

This excess applies to each and every claim.

### VOLUNTARY EXCESS

When this excess is shown on your policy you have received a premium discount for choosing to increase your standard excess. The amount shown is additional to the standard excess.

### IMPOSED EXCESS

If an imposed excess has been applied to your policy all claims are subject to the additional excess amount shown on your schedule.

### INTERNATIONAL EXCESS

This excess applies to any driver of your vehicle who holds an International or overseas licence. The driver must be allowed to drive in New Zealand at the time of any claim to be covered under your policy.

### UNNAMED DRIVER EXCESS

When this excess is shown on your policy you have received a premium discount for restricting drivers to those named on your schedule. Any unnamed drivers are subject to the additional excess shown on the schedule.

### UNDERAGE EXCESS

If you have cover for drivers under the age of 25 they are subject to the underage excess shown on your schedule.

### SPECIAL EXCESS

Any drivers of your vehicle who are noted on the schedule under Special Excess are subject to the additional excess shown on the schedule.

### THEFT EXCESS

If a Theft Excess applies to your policy this will be shown on your schedule. The amount shown applies to all theft and attempted theft claims.

### WINDSCREEN AND GLASS CLAIMS

If you are claiming for a windscreen, sun-roof or window and there is no other damage to your vehicle, there is no excess to pay.

If you are paying your premium by instalments and request your policy to be cancelled before the end of the term there may be outstanding premiums to be paid. If there are any, we will advise you of the amount. Immediate payment will be required before your direct debit and policy can be cancelled.

Once your policy is cancelled any noted interested party, such as a Finance Company or Bank, will be advised.

## CONTINUING YOUR COVER

Before the end of your policy term we will send you a renewal notice showing the premium and terms we are offering for another term of insurance.
